

Our Term 3 Happenings

PSG Mid-Autumn Festival @ Kellock ~ 29th August 2014 ~

Snowskin Mooncake Making Workshop

The PSG welcomed 50 families and parent-child pairs who took part in our snowskin mooncake making workshop. Children and parents alike were excited to get their hands on the ingredients. Once they got started, they were full of concentration and had lots of fun! It was great seeing siblings and friends helping each other in making the mooncake. This year, we provided Hello Kitty moulds and the mooncakes turned out so pretty. You could see the satisfaction on everyone's faces! A big thank-you to the organizing committee!

Mid-Autumn Evening Celebrations

Next up was the evening celebrations where we hosted about 40 senior citizens from Bukit Purmei CC together with 50 Kellock families. It was an evening of cultural performances and the PSG would like to thank them for their time and effort:

- Mr Simon and Christine Yim - a father and daughter pair on the erhu and flute
- Mrs Audrey Go and her daughter Annabelle with 月亮代表我的心
- Our P2 student, Simorrah Seow for her SYF piece, Taichi Fan Dance
- Our P2 parent, Mr Bosco Jr for his very exciting and daring fire-eating performance

CHIJ Kellock achieved their very 1st Singapore Book of Records entry for the Largest Lantern made of umbrellas! Thank you to Mr Akira Takahashi, Mr Dominic Seow and the Art Club girls for making this happen!

We also learned about the stories behind mooncakes, pomelos, little piglets and osmanthus jelly. Did you know each of these represents reunion, blessings, good fortune and happiness?

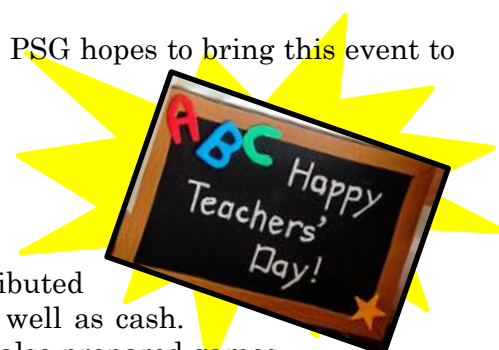

The senior citizens had fun and laughter joining in to guess 谜语 (chinese riddles) and won prizes too, contributed by P3 parent Stella Lin Ying. The evening ended off with, of course, the Lantern Walk around the school compound because it started to drizzle heavily! But that didn't dampen the mood of the children and little ones... all eager to take out their fancy lanterns!

It was a great cultural festival topped off with learning and fun. The PSG hopes to bring this event to you again next year!

PSG Welcomes You!

The PSG Executive Committee of 2013/2014 will reach the end of their term and I would like to sincerely thank every one of them who have placed much time and effort in supporting the PSG's activities throughout these years. The support that the PSG has received from the Exco and parent volunteers who stepped forward at our events have been tremendous and heartwarming. Your dedication is priceless and I am in awe. Thank You very much for your friendship and support!

Every parent's support is essential in sustaining the presence of the Parent Support Group at CHIJ Kellock. We invite you to come forward to be a part of this community. No special talents required; you are as unique as you are. Do join in our **PSG Welcome Breakfast** on **5th January 2015** to find out how and to meet new parents. See you then!
