*A Christ-centered learning community where every child will develop
her unique giftedness to lead and make a difference.*

Dear Prospective stakeholders of CHIJ Kellock,

CHIJ Kellock will be finally **moving back in 2019** after 2 years of PERI Upgrading. We look forward to returning to the school with **brand new facilities** such as an Indoor Sports Hall, a new playground, a new Dance Studio, jogging path, a PAL (Programme for Active Learning) Room, an Outdoor Experiential Learning area & a newly re-decorated Library.

We know that selecting a school for your child at Primary One is one of the most important decisions you will be making during the 2018 P1 Registration Exercise. Some questions you want answers for, are: Does the school offer a curriculum that will suit my child's needs? What about the co-curricular activities and the enrichment programmes? Are there special programmes offered? Will I have the opportunity to be meaningfully involved in my child's education? Will my child be cared for? What kind of values will my child be picking up from the school?

You want the best possible education for your child and so do we. Achieving that common goal today requires a partnership between the school and the home. As such, we warmly welcome you to learn more of our CHIJ Education and have an insight to the quality holistic education which we provide to develop the unique giftedness of each child.

If you are interested in learning more, the school will be organising a personalised visit for parents who would be registering their child for Primary 1 admission in 2018. The event will be conducted either on **Thursday 21 June or Friday 22 June 2018 from 10.00 a.m. to 11.00 a.m.**

During the personalised visit, we will:

1. familiarize parents with the school's programmes,
2. answer queries you may have on Primary 1 Registration.

The sessions will only materialise if there are enough interested parties. If you are interested, you may want to indicate your interest by completing the Reply Slip and submitting it to us in any of the following ways:-

- faxing the Reply Slip back to our school at 62731710, or
- emailing a scanned copy of the Reply Slip to chijks@moe.edu.sg, or
- scanning the QR Code on the right and submitting the completed Reply Slip online.

For further enquiries, you may call the office at 62730096

Yours sincerely,

Ms Magdalene Chin
