There are also other exciting plans underway so look out for our updates!

Teachers' Day Celebrations with PSG

~ 4 September 2014 ~

Every year, our teachers are treated to a wide spread of food and homemade treats, all generously contributed by our parents. This year, not only do we want to treat them to good food, we want to pamper our hardworking teachers a bit more. If you have an idea to contribute, email us with subject title "Teachers' Day Idea" and we will get in touch with you.

The PSG continuously looks out for innovative, inspiring and enriching experiences. If you have something that you think can benefit our girls or just something fun to share with the Kellock community, let us know! We are reachable at psgkellock@gmail.com.

See you at our events.
